COVER PHOTO IS FROM THE TIME OF THE ORIGINAL "DOWN TO THE SEA IN SHIPS". THIS IS AN INTERESTING SHOT BECAUSE IT IS OF THE "WANDERER" WHICH WAS USED FOR THE AT SEA SCENES IN THE MOVIE. NOTE THAT THE FAKE GUN PORTS ARE MADE OF CANVAS. WHEN THE "MORGAN" WAS INSTALLED AT ROUND HILL BY COL. GREEN THIS "GUN PORT" STRIPE WAS PAINTED IN WHITE ON HER HULL AND IS RETAINED ON THE "MORGAN" AT MYSTIC SEAPORT, MYSTIC, CONN. Selectmen's Meeting

DOGS ORDERED CONFINED

A public hearing was held by Mattapoissett Selectmen on a livestock kill of 2 pigs owned

by Manuel Santos of Aucoot Road. The owner of two Golden Retrievers, Dr. James E. Hoff of Old Sough Road, appeared with his attorney, Richard Carey Paull, to dispute charges that his dogs were involved. Dog Officer Penny Hiller told Selectmen that the Hoff dogs were running loose this summer and a warning was given by her to Dr. Hoff's son at home that the dogs must be leashed or confined. A notice was sent by mail on January 5, 1978 of a \$25. fine imposed because the dogs were seen on the Santos property.

Mr. Santos stated that he found one of his pigs dead and bitten on January 1st. On January 3rd he discovered another dead pig. January 4th he went to the pen and alleged that both dogs were in the pen. He called police, he said. He stated that Officer Pacheco responded and went to the pen with Santos and they discovered the dogs, the smaller of which ran away. Mr. Santos stated the larger dog came out of the pen when called and was put in the cruiser. Dog Officer Hiller was then called, he said, and inspected the dog in the cruiser.

The Selectmen had Town Counsel Donald Fleming present to ask questions because

Mattapoissett Seniors

Marshall Ross was the featured speaker at the January meeting of the Mattapoissett Seniors Club. He gave an illustrated talk on his recent trip to Guatemala.

On his retirement as Technical Director with Acushnet Process, Mr. Ross joined International Executive Service Corporation, an organization whose members volunteer to assist and advise in underdeveloped countries. It was in this capacity that Mr. Ross went to Guatemala City as a consultant to a small rubber company. His talk dealing with the geography, history and present conditions in Guatemala, accompanied by slides taken by the speaker, was excellent and well received by the club members.

CLUB OFFICERS

The present officers of the Mattapoissett Seniors Club are: Joseph Perry, president; Donald Welch, vice president; Mary Paiva, secretary; Ethel Gorun, treasurer. The Executive Board consists of the officers plus Sophie Sterling, Joseph F. Sylvia and Emily Perry.

A "cops and robbers" sequence in the audience, the theme music from "Star Wars" and the opportunity for a youngster to lead the Regional Symphonic Band all are features of Sunday's free children's concert at 3:00 P.M. at Old Rochester Regional High School.

Sponsored by the Tri-County Music Association, the program will feature a pantomime of the four segments of the "Kiddie Ballet" of which the "Cops and Robbers" incident is a part as well as a christening sequence in which the baby being baptized becomes extremely noisy.

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we're looking for.

A THANK YOU

I wish to express my gratitude to all of the many friends who have been so thoughtful during my husband's recent illness and since he passed away. The visits to Victor and the cards sent to him were so appreciated and did so much to bolster his indomitable spirit which never flagged. Because his profession had taken us all over the United States it was only after retirement that we were able to settle down here as comparative newcomers. We never had the opportunity to make lifelong friends in Mattapoisset. In

Porteus announced this week the formation of beginner contract bridge classes plus the addition of two more weekly duplicate games for area residents.

St. Gabriel's Parish Hall is the site for all Marion Bridge Club activity. The new lesson format includes lecture material from 11:00 A.M. to 12:15 P.M. followed by an actual novice bridge game for beginning players starting at 1:00 P.M. each Monday.

To accommodate the wishes of the more experienced players however, an open duplicate game will also be held at the same 1:00 P.M. time. The classes and two new games will start on Monday, February 6th, and be a regular feature of the Marion Bridge Club.

1976 North American Continent Champion, Dir. Porteus is considered New England's foremost teacher, player and director. He will be instructing in Standard American bidding principles including five card majors which is, by far, the most popular system in the United States today.

CAN HANDLE IT.

Rain. Snow. Wind

In Horizon you can drive with confidence in all kinds of weather - the front wheels both steer AND drive and, with the weight of the engine over the front wheels, you get good traction - good handling, good control, good stability. Relax.

Long Trips

Four people travel long distances in relaxed comfort. The front wheel drive provides you with good traction and directional stability. Rack and pinion steering is precise and also contributes to directional stability. Anti-sway characteristics in the suspension give good handling and control.

There's ample suspension travel to absorb bumps, rubber bushings to cushion them, coil springs to soak up road shocks. Anti-sway bar in the front suspension; glass-belted radials.

Economy

Based on EPA estimates, Horizon equipped with manual transmission is rated at 39 mpg, highway, 25 mpg, city. Your actual mileage may differ, depending on how and where you drive, the condition of your car and its optional equipment.

Little League Basketball

On Monday, January 23, the evening began with Black and White. Drew Frazee got things rolling with a Black basket followed by the White's Mike Burnett to open a well matched game that remained tied 2-2 at the end of the quarter. White took the lead in the second quarter with 8-4 at the half thanks to Mike Burnett with 6 points. By the end of the third Black was only trailing 10-8 and in the final quarter not only caught up but won 16-15 in a very exciting finish.

In the second game Blue continued to lead the Greens and went on to win 36-17. High scorer was Mike Vulgaris with 12 points.

In Gold vs. Purple "Putt" LaPlante got things started with a Gold basket, and the Gold's luck continued as they scored 34 points to the Purple's 25. Dave Hubbard with 14 points was high scorer.

On Monday, the 26th, Blue was leading Gold 8-6 at the half and then they were tied 10-10 at the end of the third. The table turned in this well matched game in the final quarter when Blue pulled way ahead to take a 24-12 victory.

In the second game Greg Loudon with two baskets gave the Greens a 4 point lead to the Red's scoreless opening quarter. Two nice swish foul shots by the Red's Scott Litchfield began an exciting 3 more quarters but the Greens held their lead for a 15-12 victory.

It was Orange vs. Black in an exciting final game of the evening. The first half was tense with ties and close scoring, 14-12 at the half. Orange took a strong lead in the second half despite some good Black ball handling with a fantastic long shot by John Coucci. Orange captured a 33-21 victory.

The win-loss record as of the 26th is Orange 5 and 1, Purple 4 and 1, Gold 3 and 2, Black 3 and 2, Green 1 and 4, White 1 and 4, Red 0 and 5, Blue 4 and 2.

WHY GLORIA STEVENS?

by

Diane L. Oldfield

In my 1st column, when I asked why go to Gloria Stevens, I listed the professionalism of the staff.

I would like to add something about that. First of all, Gloria Stevens is the only system of weight control salons who certify their staff technicians.

In other words, in order to become a staff member, you have to be certified by Gloria Stevens' training staff. Then, there are other steps, Certified Technician Advanced and Certified Technician Expert. Each step means an advancement in the technician's knowledge of weight control, nutrition and physical fitness.

When a technician earns the title Certified Technician Expert, she has to study for a year and pass a three hour test, both written and oral, she is exactly that - expert.

Next time, I'll talk about our diets.

TOWN CHAIRMEN FOR HEART FUND

Area Chairman for the 1978 Heart Fund campaign George S. White of Mattapoisett has announced the names of Town Chairmen for Area I.

Mrs. Joseph Lipsitt, long associated with Heart in Marion, will direct the drive in that town for the 21st year. Mrs. Lipsitt has received recognition for her efforts from the Cape & Islands Division as well as from the Southeast Division of American Heart and will strive again this year to go over past years' totals.

New chairman Joseph C. Perry will be overseeing the many facets of the campaign in Mattapoisett, where organization is taking place at this time.

Walter Brillard, past treasurer for the Town of Wareham campaigns, will serve as Town Chairman for 1978. Mr. Brillard is well-

acquainted with the various sources of income and is appointing his sub-chairmen for business, residential and special events.

Mrs. Henry Woodward of Snipatuit Road, Rochester, assumes the chairmanship of that town with confidence that the community will respond to the need for funds to continue important programs of the Heart Association.

"We have a fine group of chairmen for Area I" said White, "and, as in past years, we were the first area in the Cape and Islands Division to be set for leadership. I am sure that the 1978 campaign will surpass all records from other years."

Among the special events planned throughout the Division, a raffle for a 1978 Ford LTD II is outstanding. Tickets are in the hands of all town chairmen and the drawing will take place in April. This luxury automobile was a gift to the Heart Association and all ticket sales are clear profit, Mr. White added.
